“ My first thoughts are for deepest sympathies to his mother, his father and this family. Todd was a very dedicated individual who work hard and worked to be an engaged individual with his classmates and many other individuals. My memories of him as a student and as a private individual are very positive, I am truly sorry for your loss of him from your family structure. I am sure that the void that he leaves behind will constantly remind you that life can be short, so do your best each and every day, and that is what I really think Todd brought to us all.

“ Todd and I had a special Bond growing up. We were always glad to see each other when we could. When I sang at the Jasper Strassenfest years ago, Todd surprised me in being there. Todd said I wouldn't miss hearing you sing. He had a kind heart. He will be greatly missed!

“ Todd was my nephew and I was always so proud of him!! I was so proud because he endured his physical disabilities with patience, determination and beautiful courage! I remember when we were together singing karaoke at the American Legion in Ferdinand and the fun and laughter we shared doing that!! That will be a wonderful memory for me! He will always hold a special place in my heart!!

“ If you knew Todd you knew of his love for his two dogs. I hope they had a brief meeting at the Rainbow Bridge before God took them to heaven together to live in peace
