“ *My heart goes out to you, Mary, and to all of your family. Tom was a good man and I was blessed to get to know him better. Each time I look at one of the little sculptures he gave me, I smile and thank God for hime. He touched so many lives and the world is a better place because he was here. I love you, cousin. ~Ramona*

“ *Loved this man, worked with him at Ditto Sales he used to tell me stories of my late father Robert Gehlhausen of how they used to ride motorcycles together! Tom also made me metal sculptures and one was a dog that sat on the tv stand and I was vacuuming one day and it fell off and hit my toe I told Tom that is a mean dog, it bites! he got a good laugh out of it and said " oh no"! He was a genius with metal. Loved to see all his projects! he is greatly missed by all who had the pleasure of knowing him <3 thoughts and prayers go out to his family.*
