“ *I have not seen are read this. I am his son. the one that is listed on here. he was a good man. and he was proud of me and everything I did. from the years I rode in the prca and pbr to now as I work in the funeral home service. he was a great man and always had a smile on his face and also a joke for anyone that wanted to laugh. sure is missed I can tell you that as well as I can remember the day I got the call from my aunt his sister about his wreck he was in. I know he is watching over his grandchildren as well as the family he loved.*
