“ *This makes me so sad as I was never able to find him a Clark Bar... But not from lack of trying. I met Bub in the hallway at Brookside about a month ago. We had a nice conversation even though we had just met. He asked if I would get him the candy bar that I assume he was craving so I started looking for one at every Candy shelf I came upon. Maybe heaven will have Clark Bars. People come into your life for a reason, a season, or a lifetime. Bub was there for a reason, I'm just not sure what that is. RIP Bub!*
