“ *Dear Ardella, Sue and I received the news about Urban and wanted to let you know we are thinking about and praying for you and your family during this time of loss. You and Urban had a special relationship, one we can all learn from and hope that our marriages share the same love and commitment as your's did. It was such a joy to have been able to spend some special one on one times with you both over the last of couple of years, Sue and I count them as some of our fondest memories. I know this will be a difficult time for you and hope that you find comfort in knowing you have a large family that is there to offer support and prayers. Please know that Sue and I are two of those people. God bless and may you find peace in celebrating and remembering Urban's love for you and his children. Our sincere condolences, Tom and Sue*

“ 1 To everything there is a season, A time for every purpose under heaven:
2 A time to be born, And a time to die; A time to plant, And a time to pluck what is planted;
3 A time to kill, And a time to heal; A time to break down, And a time to build up;
4 A time to weep, And a time to laugh; A time to mourn, And a time to dance;
5 A time to cast away stones, And a time to gather stones; A time to embrace, And a time to refrain from embracing;
6 A time to gain, And a time to lose; A time to keep, And a time to throw away;
7 A time to tear, And a time to sew; A time to keep silence, And a time to speak;
8 A time to love, And a time to hate; A time of war, And a time of peace.

“ My heart is with you all at the passing of your husband, father, grandfather, and great grandfather. I will fondly remember Urban's sense of humor, learning the "The Schnitzelbank Song" from him, the joy that Ardella and Urban got from fishing together and sharing it with others, playing Cinch together, and appreciating his beautiful handmade wood products. You will be missed by so many, Urban!
