“ *My heart hurts so much for all of you! I just found out and I can't stop sending prayers your way. I am so sorry for your deep loss. Vearlene was her own kind of special, I remember so many stories that Amy would tell about her, she will be greatly missed. My thoughts are with each and everyone of you.*

“ *You have our heartfelt sympathy. I knew your mother and father while attending Jefferson High School in New Paris, OH. Your mother was one year behind me in school. Your father was my Drive Education teacher. They were a beautiful couple! Even though I haven't kept in touch with Vearlene, her sisters Judy and Macy, always spoke highly of their sister and family. You have our blessings. Jim Keller - Bowling Green, OH.*
