“ Verena, a girl's name is of Latin origin meaning "true". True to her word, Verena waited for all her children to be with her before her passing. She promised her kids "big hugs" and big hugs we had. Grandkids often share stories from their summer trips to Santa Claus and Holiday World. Family gatherings often turned into card playing marathons with kids and grandkids tag teaming the many hands dealt. Much laughter, many memories, and a mom who loved us through her last breath. Until we hug again, we'll miss you, but know you are always within us.

Love, Geri, Jess, Noah and David Snyder
