“ *Judy,
I remember when I was about 9 or 10 years old and I had a bike accident going down the hill on Brames Rd. Vernon just happened to be out walking that morning and he ran down to help get me up and he walked me all the way back to my house and made sure I was alright. Vernon was a good neighbor and a kind man! Please accept my sincere sympathy.*

He was a good man and he loved my brother Andy. When stopping by moms vegetable garden he always made it a point to come up to the house and chat with mom. You are all in my prayers
