“ *Prayers for all of the family of Fronie. I met this sweet lady while working at Kimball Electronics. I also had the pleasure of working with her there. She made the long nights not seem so long at all. We used to walk the riverwalk after work in the mornings. I enjoyed meeting her husband Charlie also. We kept in touch after she left Kimballs. We would meet up every so often for breakfast or a chat. I will always treasure the beautiful afghan she made for me and my husband's wedding. Also the beautiful potholder she made. Such a sweet and talented lady. May she rest in peace.*

“ *Blessed to have her as my Godmother. So many great memories of Aunt Fronie! She made the perfect wedding cake for me and Kevin (beautiful AND delicious!). Oh, those cakes! As kids, we would devour the gallon containers of cake "scraps" anytime she brought those out!*

We have been traveling to Holiday World every summer for the past 3 years and have been able to visit with her and Charlie each time. We will miss seeing her this summer! Lots of hugs and prayers for Charlie, Mark, Steve, Dave, Terri, Heather, Kyla, and Kevin.

“ Aunt Fronie was wonderful - so kind and creative. Her cakes always amazed me when I was little and I still smile when I think about the cakes that looked like beer cans! The wedding cake she made for me was EXACTLY what I'd always wanted. I treasure the tablecloth she crocheted and sent me as a thank you for having them stay at my house. I'm sorry I will miss her visitation and mass but I will be thinking of her and the family on Sunday and Monday.

“ Fronie will be missed by all who has had the pleasure of knowing her. She will be in our hearts forever. As for Memories, I can't even begin to talk about all the memories we have made and shared with our two families, all those camping years we had together, those were weekends we laughed about many, many times. And when I miss her I will just remember all those great times we shared, and will have to say a prayer for her. I feel so proud to have had her for my Sister. Love her with all my heart.
