“ Any beekeeper friend of my late Dad's, was a friend of mine. Vic was one of our special friends that came into my family's life by sharing his love of beekeeping with my Dad, Floyd Helm. They soon found they had many things in life they loved as well, First, their God, loving and honoring Him, then their spouses and families. They soon enjoyed Florida times together and lots of visits and laughs around the kitchen table. Both Vic and Janet were so good to stop by and cheer up Dad and Mom when their health started to fail. What a loyal and sweet man Vic was. My deepest sympathy and love to all the family, We loved him.
