Vic was a true friend of mine. I really began to know him when he invited me to join his golf team at the Jasper Country Club years ago. We played golf for years together and always enjoyed his positive humor and so complimentary of other people. The out of town and Florida golf trips will never be forgotten. I often times called him my Dad because he was always giving me good advise. His wife Nancy was special also always stood at his side. He will be missed by all who knew him. God Bless Him and his family. Bill and Ruth Hauser
