“ I met Wanda when her daughter worked for me at the Shoe Show more than 25 years ago. She was always such a joy to be around and had such a great love for her family. Hers was a life well lived and no doubt pleasing to our Lord. My sympathy goes out to her family and all who knew and loved her.

“ Wanda was my wonderful and loving aunt. My late mother was her husband, Steves older sister. We shared many highly enjoyable visits both in Jasper and in Quincy, Illinois as well as Olney, Illinois.. I always loved all the time I spent with them. One of my favorite visits was when we attended a Cincinnati Reds baseball game. It was so much fun. I am so very sorry to hear of her passing from this life into God's loving arms. I know she will be healed and back to herself next to my uncle. I send my deepest condolences and prayers out to my cousin Greg and his family and to my cousin Stephanie and her family. May God surround them with love and support during this difficult time.

Much love,

“ I met Wanda a few years back at the JHS tennis courts where our grandsons were teammates. She was so happy to watch Justin and we talked a bit at the matches. She was a very nice lady. Sorry to the family for your loss.

“ Wanda was a good friend to my parents for many years. They wanted me to share their condolences. I will always remember Wanda as a loving mom and grandma. I miss the good old days when she would join our Shoe Show group for our annual New Years Resolution Chinese dinner. We had good times. Condolences to the family.

“ Wanda was a lovely lady, a treasured friend, and a longtime neighbor who joined us monthly for our neighborhood "ladies" coffees, often graciously hosting our gatherings. She was very grateful for companionship after Steve died. Our longtime agreement was that we would all make a midnight trip to Denny's if we couldn't sleep. She will be so greatly missed.
