“ *I remember such great times at Aunt Willa ' s house when we would visit Hayesville. We loved visiting. I remember cookouts and catching lighting bugs. Playing in the basia and being amazed by her ringer washer. Walking the back ally to go play with the Neukum kids. Hearing the church bells ring and Uncle Lenis say time to go to church. Eating fresh bread warm from the oven with homemade jelly. Getting upset because the grownups were speaking in German and we had no idea what they were saying. Holidays with so much food and having to sit at the kids table. Such wonderful, wonderful mmemories.*
