“ Bill was always making our kids laugh and my wife and I too! We only knew him for 18 months but he quickly became a close friend of our family. One of our favorite memories was Christmas time last year and we see a glowing light coming down the driveway and then we see antlers and a flashing red light and here comes Bill with a motorcycle helmet on that has deer antler's attached to it and a shiny red nose and of course his entire camo hunting gear on! My little one's couldn't take their eyes off of him and if it wasn't for his easily recognizable friendly voice I think they would have been very scared. The older kids and Ang & I just laughed I think for several minutes and marveled at what an original costume he came up with! See the attached photos but it was not a very good picture but the only one we took unfortunately.

Bill came to several of our kids sporting events and to our oldest son's graduation and party afterwards! He showed me and my oldest 3 boys how to skin a deer and even brought over some stew shortly thereafter. He helped me get a tree out of our pond with his 4 wheeler winch, setup our basketball hoop, put up our tire swing and much more. Bill was a great, great neighbor and a wonderful person as well and our family misses him greatly already and look forward to seeing him again someday in heaven next to our Lord and Saviour Jesus Christ!

Our sympathies and prayers go out to his family and we wish that we could have attended his funeral. Please if you need anything when you are up at his house please do not hesitate to call us for help.

In Christ,

Mike and Angela DeJong and kids Colton, Coy, Cody, Cheyenne, Cade and Carver

“ Sending hugs and prayers to all of you. So often I sit and remember the great days of being best friends with Anne and having the privilege of being part of her awesome family. I will never forget your mom sitting two or three gallons of milk out on the table for one meal and Randy and Bill elbowing each other to get at the food and milk first. I always loved the comraderie, the friends coming and going, and the constant laughter filling the house. You are a very special family and I am so sorry that I can not be there to express my sympathy in person. Sending peace to fill your hearts in the coming days and weeks but also hope that the laughs and fun that make all of you so special will continue.
