“ *Connie*
Sorry to hear about your dad. Thinking about you and your family.

connie thewes - December 14, 2011 at 12:00 AM

“ *I still have some knives that I bought from your Dad many years ago and I have a cane that my mother bought from him. We saw him at the Utility Cemetery.*
Jimmy knew him when he lived in the community and stopped by to see him several years ago.
You have our sympathy in your loss.

“ *Connie and family. I will always remember your dad. He was always interesting to talk to when I was a kid. He would share his time with the neighborhood kids who were interested in what he was doing, and never made you feel like you were in the way. He is one of the adults I remember the best growing up in Jasper. I am sure he will be missed by all of you. You are in our prayers. Fay Loveall Gootee*
